To Whom It May Concern:

This is to advise that M&H Refrigeration & Air Conditioning Services have been dealing with Call Connect since September 2002.

Call Connect take care of all our communication needs, consisting of approximately eighty (80) mobile phones and ten (10) fixed lines. I have found Call Connect to be extremely helpful and prompt in all of my telephone needs or problems and have no hesitation in recommending Call Connect to anyone.

If you would like to discuss anything with me, please do not hesitate to call.

Yours faithfully
